

OUR RENTAL POWER ADVANTAGE:

Clifford Power Systems, Inc. is focused on power generation equipment. Our goal is to provide the highest quality power generation equipment available, then back our products with great service. We can satisfy any need for emergency, auxiliary or standby power generation. Because many tasks performed by power generation equipment are vitally important, machinery and systems must be reliable. Reliability is our hallmark. Whether you need a permanent or temporary unit, parts or service, we are well stocked & expertly staffed to handle your needs in hours, not days.

WHY IS CLIFFORD POWER SYSTEMS, INC. DIFFERENT FROM OTHER RENTAL POWER PROVIDERS?

1. THE CORNERSTONE OF OUR BUSINESS IS GREAT SERVICE IN EVERYTHING WE DO.
2. WE HAVE A LARGE FLEET WITH ACCESS TO OVER 200 GENERATORS RANGING FROM 25KVA TO 2 MEG.
3. WE PROVIDE COMPLETE ACCESSORIES - FROM MILES OF CABLE TO RAMPS, LOCKS AND ELECTRICAL DISTRIBUTION, WE COVER EVERY NEED TO SAFELY AND SECURELY PROVIDE RENTAL POWER.

WITH CLIFFORD POWER SYSTEMS, INC. AS YOUR RENTAL POWER PROVIDER YOU GET:

TRUST - Some companies will rent any industrial equipment. *We choose to specialize in rental power. When lives, money and time are at stake, having a reliable Clifford Power Systems professional is a clear value differentiator.* We build trust and credibility by being experts in power. Whether a planned event, an emergency or natural disaster, Clifford Power Systems, Inc. has the size and strength to keep the power on.

DEDICATED SERVICE - We are a "Power Generation Company". We deliver power when needed. We realize that emergencies aren't planned nor are they convenient. We're committed to serving our customers any time, day or night.

EXPERIENCE - We offer the experience to size your job properly, and the dedication to get it done through our full service rental, sales, parts and service branches. We treat each customer's needs like our own.

BECAUSE SAFETY MATTERS:

Reliable Equipment – You can rest assured that when renting from Clifford Power Systems, Inc. you will get top-notch equipment to insure reliability and safety. **We own and maintain our own fleet.** With our equipment you get:

- Safety and Operating instructions on all equipment
- In-depth annual inspection on generators and trailers
- Planned maintenance every 250 hours and regular load testing
