**CLASS TIMES:**

Classes start at 8:00am and end at 5:00pm.  
Each class requires homework assignments be completed.

**PRICING:**

Includes lunch and all training materials needed.  
Transportation and Hotel are not provided. The Dealer attendee is responsible for all travel and lodging arrangements.

**ACCOMODATIONS:**

Clifford Power does not pay for or arrange the lodging. We recommend the following hotels for each class.  
**TULSA class:** Hampton Inn Owasso at 9009 N. 121st e. Ave Owasso, OK 74055 Ph. (918) 609-6700 Use acct# 0002739138 for a discounted rate at [www.owassosuites.hamptoninn.com](http://www.owassosuites.hamptoninn.com)  
**GARLAND class:** Courtyard by Marriott in Mesquite Texas, 2300 Interstate 30, Mesquite, Texas . Phone number 972-681-3300 or 800-321-2211. On line at <http://www.marriott.com/hotels/travel/dalcm-courtyard-dallas-mesquite/> . For a discounted rate mention that you're a Clifford Power Student Corporate discount Code (Q69)

**CANCELLATIONS:**

If a Dealer needs to cancel it must be done 30 days prior to class date. Failure to do so will result in a charge of 1/2 the standard class rate.  
Clifford is only responsible for the return of the class fee if we cancel. Classes are subject to cancellation if they do not meet minimum attendance.

**COMPLETIONS:**

Per Generac's Policy the Dealer must successfully complete all Homework, Lab Test, and meet or exceed 80% on Written Test to pass.  
The week after the class Generac is provided all paperwork providing a pass or fail on each student. Generac then mails the Certificate (plus dongle for Comm II) to Clifford Power. The Dealer will typically receive the printed Certificate 30-45 days after the class.

**FAILURES:**

In the event of a failure the Dealer needs to sign the student up for a class occurring within 90 days of failure in order to receive special retake pricing which is 1/2 the standard class rate. This student can return for only the Lab Test and Written Test or return for the entire class. Returning students will need to bring the training kit provided in the first class.

**DRESS CODE & MATERIALS:**

Dress appropriately each class involves hands on troubleshooting. We will be working with live electricity, all cotton is required. No shorts, tank tops or open-toed shoes allowed. Instructors will provide all the appropriate safety equipment i.e. safety glasses & hearing protection. Air Cooled & Commercial I require no materials. **Commercial II class requires student to bring laptop with latest Genlink DCP installed and operational, OF7707 cable, and Commercial I books.**
